

**Amendments to the Specification**

Please replace the title as follows:

~~METHOD OF PRODUCING THIN FILM MAGNETIC HEAD, THIN-FILM MAGNETIC~~  
~~HEAD, HEAD GIMBAL ASSEMBLY, AND HARD DISK DRIVE~~HAVING HEATER  
MEMBER AND BUMP FOR ELECTRICAL CONNECTION OF HEATER MEMBER

Please replace paragraph [0004] - [0005] with the following rewritten paragraph:

[0004] For achieving higher density, it is necessary to further decrease the distance between the recording medium ~~and, the~~ and the electromagnetic conversion device and/or the magnetoresistive device of the thin-film magnetic head from those having been achieved heretofore.

[0005] The present invention has been accomplished in order to solve the above problem and an object thereof is to provide a method of producing a thin-film magnetic head, a thin-film magnetic head, a head gimbal assembly, and a hard disk drive capable of achieving a smaller spacing between the recording medium ~~and, the~~ and the electromagnetic conversion device and/or the magnetoresistive device of the thin-film magnetic head.
